The sea, at approximately 500mt, may be reached by a panoramic staircase or by a shuttle running every 15min in summer.

From Vietri's beach a service of boats brings to the several little beaches of the coast.

At 2km Salerno, with its beautiful historic centre. On the coast Cetara, a fishermen village of Saracenic origin, famous for its tuna-nets and typical products of tuna processing. 15km further on Atrani and Amalfi, then Ravello, Paiano, Conca dei Marini, the highly picturesque Furore's fjord and Positano.

In 30km of highway you may reach the world known archaeological sites of Pompei and Ercolano, in 50km Naples and Vesuvius volcano.

From Salerno's port start ferries for Capri, Ischia, Amalfi and Positano.

### ACTIVITIES AND ATTRACTIONS

On request the owners of the B & B (that lives upstairs) will help to organize local tours or cooking lessons, trekking with guide, canoing excursions on the Coast.

During all the year on Sundays our guests may participate to free guided excursion along the whole Coast. On request excursions with canoe, trekking across Lattari Mounts, boat trips with dinner on board, ceramic classes (Vietri is world famous for its ceramics) and typical local cuisine classes.

At short distance there is Villa Guariglia, where in summer important

musical events take place, and the Museum of ceramic.
