

The Palace was named after Andrea Odoni, a famous 15th century art and antiques collector, who was the first owner and resident of the palace.

Over the centuries wealthy and noble families have succeeded each other in the Palace until it became Giangreco family's property for over 5 generations.

In 2002 they decided to renovate it in order to bring it back to its original splendour - in accordance with and under the control of the fine arts department of Venice - to turn it into a **SMALL LUXURY BOUTIQUE STYLE HOTEL**, conceived for a tourist looking for the

In this charming historical building you can actually enjoy the true atmosphere of Venice in

the luxury **APARTMENTS** still retaining a nostalgic charm but having all the necessary comfort.

Every apartment is a microcosm of elegance and luxury; from the Murano chandeliers, the rich curtains, the refined XIX century furniture to the Jacuzzi's in every apartment; everything has been enriched and carefully perfected in all details in order to make the grandness of the past live again in our modern time.

The apartments overlooking Gaffaro Canal do not only offer an amazing view, but they also give you the "aura of romance" of the passing gon-

dolas and the echo of the typical Venetian serenade sung by the gondoliers.

The privileged position of Residence Palazzo Odoni guarantees every apartment has the piece and quiet that will give an added value to your holiday.

Another innovative PLUS offered by this place is the possibility of celebrating **SYMBOLIC MARRIAGES** and **VOW RENEWALS** in the private

antique courtyard which is enriched by a gothic well and 3 flights of stairs lit by candles and accompanied by romantic music.

In a magical place like this small picturesque Venetian cloister, the uniqueness of an official engagement or wedding vows' renewal- for example in the occasion of a marriage anniversary - will be a truly memorable moment... forever...!

Emanuela designs, plans and organizes the ceremonies with a service tailored to all specific needs and tastes: she is always happy to participate in your happiness and meet all the couple's desires to make their dream come true.
